

Parkway Food Services

is pleased to announce
Internet Meal Payments are now available

Dear Parents,

Parkway School District Food Services is pleased to announce a new program called *e~Funds for Schools* that allows parents several payment options. You will now be able to have meal payments automatically withdrawn from your checking account or charged to a credit card. You also have the flexibility to pay at any time through the school's website.

If you are not comfortable with internet deposits, you can sign up to use our Lunchbox point of sale database only to check your child's balance, print account histories and put spending limits on accounts. Internet deposits are not required. However, you will need a Windows based PC to sign up for Lunchbox but you can use *e~Funds for Schools* with any type computer.

The convenience and flexibility of *e~Funds for Schools* will help to eliminate last minute check writing hassles, improve efficiencies, and help cut costs for both you and the school. Plus, you will no longer need to worry that your children could lose or forget the money intended for their point of sale account.

You are in full control of your account and can make a payment at any time that is convenient for you. No payments will be allowed without your knowledge and authorization through this secure payment system. By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item will be sent to you each time that a payment is to be processed.

NOTE: You will be asked to enter your child's student number which you can obtain from the school office or school report cards. The entry **MUST** be nine digits including zeros ie. 001234567. If you are given only seven digits, add two zeros. The student number is NOT the five digit PIN number.

Signing up for the service is straight forward. Just follow the instructions as you go. However, detailed instructions are available if needed by using the deposit tutor link on the web site.

You will need Adobe Reader installed to read the tutor. Right click the attachment (dep_tutor.pdf) and Open With – Adobe Reader to review and/or print.

When you are ready to sign up please [Click Here](#)

Please e-mail sbarks@pkwy.k12.mo.us for further assistance.

Sincerely,

Michael Kanak
Director of Food Services
