THE RIGHT STUFF
How the future began.
Winner of 4 Academy Awards®
“The Right Stuff”

Based on the book by Tom Wolfe
Written in 1979

Filmed in 1983

Winner of 4 Academy Awards
The Right Stuff covers the breaking of the sound barrier through the Mercury missions.

This film shows that “no one had a clue how to run a space program or how to select people to be in it.”

-Tom Wolfe
Starring: Scott Glenn
Ed Harris
Dennis Quaid
Sam Shepard
Barbara Hershey
Jeff Goldblum
Harry Shearer
And many others…
