In memory of President Theodore Roosevelt, a Progressive President like none other!

A country is mourning former President Roosevelt’s death. Your job is to write an obituary not only announcing his death but describing his accomplishments while in office. In your obit you must include —

- A creative, catchy title for his obit
- Family members he leaves behind
- At least five way he was considered a progressive president — you must explain and defend these ways
- Include two extra details about Teddy’s life — Teddy Bears do not count! Why he will be missed...

This is due NEXT BLOCK!
