Interesting, a Tralfamadorian is present before me and I thought they didn't exist! Surprisingly Billy Pilgrim was right.

You're full of dreams and very eccentric. You're very attractive from what I can see...hehe. You're a basic perfectionist and try to win your point no matter what the cost is. You possess a blunt and straightforward personality which could be hazardous to you since your criticism can be BRUTAL! Because of being a straightforward person, you tend to voice your opinion with little regard to what others think.

You are very ambitious and creative. When you try to accomplish something, you do it at all costs. You're very optimistic which is good, but some advice, some things take time. Remember that.

11-20 Points You are...Jewel!

You are very honest, straightforward, and friendly with others. Partying doesn't seem to be your type. You have a strong will toward justice. As for your private life, it should remain private. 21-3+ Points You are...Death

Don't take it too seriously and go outside and reap other people's souls! But miracles occur around you :]

You are very independent, dependable, determinate, and very social. You don't like arguments and don't hold grudges. Social gatherings are fun, actually not just fun but great!! Whenever there's one close you would want to crash it. You have long friendships with people, but are sometimes naïve.

If you could choose a career, then I'd suggest social worker since you're good at it. You respect charity and encourage it. You have a very big heart indeed. You often have a hard time working with people that don't see eye to eye with you. You're unselfish and sometimes gullible.

Work is done at a steady pace with patience until it's completed. Before you act, you always weigh the pros and cons of the situation. If you hurt others, the pain lingers with you for a while.
