

Scholarships Available to A+ Students

Based on 2009 Information (Revised 10/09)

The A+ Schools Program is funded through the Missouri Department of Elementary and Secondary Education for Missouri community colleges and vocational/technical schools. However, some 4-year colleges in Missouri are offering their own A+ scholarships. These scholarships are determined by the colleges themselves and may or may not be offered at any time. CHECK WITH THE FINANCIAL AID OFFICE AT 4-YEAR COLLEGES AND ASK IF THEY OFFER ANY INCENTIVES FOR A+ STUDENTS.

A+ benefits at community colleges or state vocational/technical schools are only available for full-time students. A+ students cannot enroll at 4-year colleges during the school year and then access A+ funds for summer school at community colleges. Questions? Call the A+ Office at your high school.
