

# Parkway South High School A+ School Participation Agreement

I wish to participate in the A+ Schools Program at Parkway South High School.

**If state funds are available and Parkway South High School is granted status as a designated A+ School prior to my graduation,** I will receive reimbursement for the college expenses determined by the Missouri General Assembly while attending a Missouri public community college or public career/technical school on a full-time basis. This reimbursement will be for the unpaid balance after federal post-secondary financial assistance funds (that do not require repayment) have been applied. This is on the condition that I meet the following requirements:

1. Attend an A+ designated high school for three (3) consecutive years prior to high school graduation (10<sup>th</sup>-12<sup>th</sup> grade).
2. Earn an accumulative high school grade point average of a 2.5 grade point or higher on a 4.0 scale (non-weighted).
3. Maintain a 95% high school attendance record for the 4 year period (attendance is not rounded up).
4. Perform fifty documented hours of unpaid tutoring or mentoring of younger students on Parkway School District property, **and** in approved settings under the supervision of a certified teacher. This may include in-school, out-of-school time, and also summer school.
5. Establish a record of good citizenship.
6. Be drug and alcohol free (including possession, use, and distribution).
7. Make a documented good faith effort to secure federal post-secondary student financial assistance funds during the last semester of the senior year so as to obtain the A+ financial incentive.
8. Apply for Selective Service, if applicable.

*To maintain eligibility after high school graduation, I understand that I must meet the following requirements:*

1. Enroll and attend on a full-time basis a Missouri public community college or public career/technical school.
2. Maintain a grade point average of 2.5 or higher on a 4.0 scale.

***\*The financial incentives of the A+ Schools Program are dependent upon state appropriations from the Missouri General Assembly. They are not the funding responsibility of the Parkway School District. All individuals required to register with the Selective Service must do so to be eligible for state-supported scholarships and programs for financial assistance for post secondary education. Students must file the FAFSA no earlier than January of their senior year in order to be eligible for A+ funding at the post-secondary institution.***
