

Parkway West **LONGHORNS**

KEEP WEST BEST!

The West Parent Organization (WPO) has a long standing tradition of supporting our children and our school. Through our active involvement and fundraising efforts, we have been able to contribute greatly to the quality of education our children receive at Parkway West High.

Thanks to our Parkway community, we have seen benefits to our school from the passage of Prop S. But budgets continue to be limited. So again this year, we are asking for your support with our "Keep West Best" fundraiser. No buying or selling of any kind! No pizza, gift wrap or candy. You can help simply by making a monetary contribution.

Where will the money go? We will continue to fund our Wish List. In the past, our fundraising dollars have been used to purchase cameras, tripods, a nurses' cot, laser printers, a scientific human skeleton for the art department, a robot, banners, educational dvds, a document camera, projectors, a copier, tvs, dvd players, scanners, sports equipment, library shelves, bulletin boards, classroom calculator sets and so much more!

We know times are tough. So put your money where you can see the return. Don't worry about taking a loss when you invest in our school and our kids.

THANK YOU FOR YOUR SUPPORT!

Yes, I want to help keep West Best!
