eraser	12 in. square piece of fabric
1 plastic grocery bag	6 in. square x ¼ in. thick stiff board (wood, plastic, cardboard)

Note: Each student should provide a combination lock for their hall locker. Seventh and Eighth grade students need to provide an additional combination lock for their physical education locker. We suggest purchasing locks at the School Store as we are better able to track forgotten combinations or lost locks.

Assignment Notebooks containing the Student Handbook will be available to students during the first week of school for \$5.00.

It is also recommended that each student purchase earphones they can keep in their locker for use in the computer labs and a USB flash drive with a minimum of 1 gig of memory for transferring files from school to home. Earphones can be purchased for under \$10.00 at any discount store. The school store will have a limited quantity of flash drives for approximately \$10.00.
