round plastic container w/lid (3-5" in diameter; 2-4" deep)  
6" square x ¼" thick stiff board (wood, plastic, cardboard)

**Note:** Additional supplies may be required by individual teacher/teams when school begins. Students will need to replace supplies as they are used throughout the year.

Each student should provide a combination lock for their hall locker. Seventh and Eighth grade students need to provide an additional combination lock for their physical education locker. We suggest purchasing locks at the School Store as we are better able to track forgotten combinations or lost locks.

Assignment Notebooks containing the Student Handbook will be provided to students during the first week of school for \$5.00.

It is also recommended that each student purchase earphones they can keep in their locker for use in the computer labs and a USB flash drive with a minimum of 128 mb of memory for transferring files from school to home. Earphones can be purchased for under \$10.00 at any discount store. The school store will have a limited quantity of 1 gig flash drives for \$26.39 plus tax.
